

4 CATEGORIES OF VALUE FILTERS

JUSTICE/RIGHT

Highly values what is right & wrong

Holds people/self to high standards

Call dibs and make you honor it

Our role in the world is not justice -
it is forgiveness

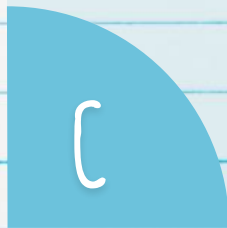

CONTROL/POWER

Highly values having "their way" & making the plan

Rather lead than follow - make the rules

Sit in the front to control the radio & air

Our relationship with God is not control -
it is trust

PEACE/EQUALITY

Highly values a feeling of even-ness

Will forgo their own justice for overall peace

Will give up a favorite seat to avoid conflict/keep peace

Conflict isn't evil & peace isn't derived from circumstances -
value & voice are equally important

FREEDOM/FUN

Highly values personal experience & joy

People & experiences supersede tasks and time

Pick their seat next to someone/something fun

Joy can be found in all circumstances -
Persevere when it's not fun
