

# FORWARD PRESENTING PROCESSING

How to get to the deeper thinking of your child...

...get under the first layer they use when they present information

When pressed, how does your child present information?

Presentation

Pleading and/Tears

Make you laugh

Pro-cons/Lists

"Freaking Out"

Flash a smile

Debates

Slammed Doors

Butter you up

Systematic

Silence

Play to the mood

So I was thinking...

Play to your Emotions

Control the mood
